Dear Sir,

With reference to your Letter No. CBSE/AFF/UC-3/311/2000/10366-70 dt. 18.11.99 we wish to inform you that a 412 Acres of land had been handed over to UCIL by the State Govt. of Bihar for mining lease of Uranium. Uranium Corporation of India Limited had earmarked 10.50 Acres of land out of the total lease hold area for the purpose of providing education to the wards of the employees of Uranium Corporation of India Limited, Atomic Mineral Division, State Bank of India, Post Office and other non DAE category organisations whose services are essential at project site and have contractual obligation with UCIL.

Thus land of 10.50 Acres has exclusively been earmarked for Atomic Energy Central School Narwapahar and we reassure you that this land shall not be used for any other purpose than the purpose of education.

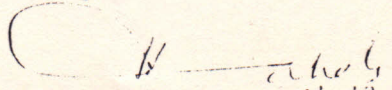

Since UCIL itself is a lease holder of 412 Acres of land we do not feel the necessity of registering this piece of land in favour of Atomic Energy Central School, Narwapahar.

All employees of AECS, Narwapahar are being paid their salary pay scales/allowances/other facilities like housing, medical facilities by UCIL on par with Central Govt. employees.

We hope that this will meet your kind approval and be kind enough to grant recognition.

Thanking you,

Yours faithfully,  
for Uranium Corporation of India Limited
